

Message:

Thursday to Friday, October 2, 2025 - 3:30 - 4:30 a.m.

After this message, J. was shocked, and her blood pressure rose to approximately 200.

I, J. was half-awake when I suddenly saw God's chosen one, Samuel, before me. He waved with his hand, signaling me to come.

I, J. ran to the computer, thinking he was there with Bernhard, but no one was there.

I thought I had dreamed it and went back to sleep. But I couldn't sleep. Then the Savior told me: "A heavy earthquake is coming. Samuel and his entire family should leave the place where the earthquake is occurring and move to another location." He would learn where he should go, when the time would be there.

If this message is published, telling people to move, no one will believe it. One million people are in danger, and many will not be saved.

I, J. still couldn't sleep. I was very agitated, so I went downstairs and made myself some warm milk with water and a pinch of honey to help me sleep. But I still couldn't sleep; I was so excited.

This morning, J. united with the Blessed Virgin Mary, and the Blessed Virgin Mary confirmed it. She said: "A heavy earthquake is coming."

I didn't see it visually, I only heard it in my heart.

J. asked if this should be published online. The Savior said, "We should wait another two to three days. A million people are in danger, and many will not be saved."

To Samuel: October 3, 2025:

Praised be now and forever the Almighty Holy Triune God, † Father, Son, and Holy Spirit. I J. can't yet say what a terrible dream I had last night.

I was half-awake and not in a deep sleep when I experienced it.

I'm not writing where yet, because I'm waiting for the Savior to allow it.

A major earthquake is imminent in America; a million people are in grave danger. We'll write in 2-3 days. In any case, you are also in danger, Samuel. The Savior said that you and your family should move from the place where you live.

Therefore, we wanted to ask you: did you hear anything about this from the Savior today, October 3, 2025, between 3:30 and 4:30 a.m.?

Because the Savior can also work through you and give intuition.

I J. was shocked by this news, and I'm still not reassured because people won't believe what we're publishing now, so we have to wait a little longer. Couldn't San Francisco be in danger? Perhaps you know more about this? The Savior also said: not everyone will be saved!

Dear Samuel, remain in the truth and in the light of God.

May the Holy Spirit enlighten you and fill you with His grace and love so that you can write to us what God wants us all three to do.

The mighty Virgin Mary, our good Mother, will protect this land where this heavy earthquake is occurring. Julijana and Bernhard -

It's all about saving souls.

Yes, please send us the card. (Earthquake danger - San Andreas Fault).

And the Savior also confirm that an earthquake is coming, but we don't know where.

We suspected, because of the 1 million people affected, that San Francisco was in danger, but it could be somewhere else. That's why we need your help figuring out where it could be, because you are a chosen child of God and the Savior works through you just as he does through us. We don't know where you live, but it's possible that it will happen where you live. But the Savior said we should wait 2-3 days before publishing.

We will pray and do what the Savior's will is. For me, Julijana, it was a terrible night, as it constantly troubled my heart.

I Julijana, asked myself, if this could be a message from the devil and said so to Bernhard. I Bernhard, received in my heart: "The devil doesn't want to warn that souls are being saved."

We have often wondered that America has copied the prayers the most and continues to copy them, probably over half a billion. If Americans pray so much, many souls will be saved and enter Paradise, and that is very important.

May God, Holy Spirit, continue to guide you in what God's will is.
Julijana and Bernhard

Yes, please. If the Savior says He has chosen you to work with us, we believe what the Savior said, that you are a chosen one.

He seeks souls where He wills, how He wills, and whichever ones He wills. That is within His power.

For He looks upon the human heart, and you have a precious heart.
It always brings us joy and grace when we speak with you about Holy God, for
the Savior's words are living words that truly work and bestow grace and love.
Holy God bless you and keep you.

May the Blessed Virgin Mary always have you in her protection and may the
Holy Angels watch over you. Julijana and Bernhard

Saint Joseph is so important; he can also guide us. Please add the following to
the prayer before the Blessed Virgin Mary: "Saint Joseph, terror of evil spirits."
The Blessed Virgin Mary and Saint Joseph are responsible for the Holy Family,
especially in this prayer.

Add the following before the Blessed Virgin Mary: "...may God preserve in Holy
Spirit in truth and love." Please decide in God the Holy Spirit whether this
should be added; we trust your opinion. Unfortunately, we will receive the
words later; the Savior tests us, for we cannot write anything on our own.
Therefore, He gives us the words later, for our understanding that we cannot
write anything on our own. We must wait for God the Holy Spirit to form the
words in our hearts, and then our mouths will speak.

Julijana and Bernhard

We want to post this prayer online so that it may bring joy and reflection to
many people. And please add: "The prayer we share, which arose in prayer in
God the Holy Spirit." But you can formulate it even better than we did.

Eternal thanks, Julijana and Bernhard

Once the Savior said to J., "You pray without ceasing." I thought that must be
the devil. Because I don't pray without ceasing. But the Savior said that prayers
are being shared everywhere and copied on USB sticks and CDs.

They play for over 10 years in our CD-Player. The Savior accepts the prayers.
That's why I J. realized that I pray without ceasing.

I ask Holy God once again for forgiveness for not trusting His words.

We have now posted the prayer online.
