

**Daily, particularly effective prayer**  
**to the Holy Triune God, the Holy Archangel Michael**  
**and all Holy Angels**

We invite: Holy Mother of God, Holy Joseph, Holy Archangel Michael and the Holy Angels in Paradise to pray for us, defend and protect us.

**We beg the Holy Triune God, † Father,  
Son - our King and Savior Jesus Christ and the Holy Spirit,  
all the Holy Archangels, Angels and Guardian Angels, the Holy Archangel Michael, the glorious Prince of the Holy Choirs of Paradise,  
Patron of the Dying and Conqueror of Lucifer.**

We ask you: defend, protect and liberate us from Satan and the devils at all times. Please liberate the souls who serve Satan and the devils and unconsciously listen to them and all their lies.

Save the souls from hell so that they all inherit only Paradise, our home, eternally, because we are only pilgrims on earth.

**We humbly beg you, Holy Triune, Almighty, Present, strong God:**

Through your power, strength, perfect operation and will, command the Holy Archangel Michael and all the Holy legions of Angels of Paradise, now and all the time to cast Satan and the devils into hell for eternity.

So that we, with all human everywhere live in freedom and peace with God the Father, God the Son and God the Holy Spirit.

**Holy Triune God**, we beg you: That your eternal light, love and grace enter and remain forever in our hearts and all souls that belong to you.

We thank you, dear Holy Triune God and all the Holy Angels for your prayers, help, protection, defense, liberation and consummate operation. **Amen.**

**Holy Mother of God with your dear child**, please; pray for our concerns, † bless and protect us and all human. **Amen.**
