(english)

J. said to the Savior: President of Ukraine S. had to suffer a lot because the President of America T. said to him after a bad argument (scandal); "he should leave America."

The Savior answered me J.: "I suffered with him"!

That is why many human love him (Ukrainian President S.) and are on his side, because he only wants peace and freedom.

God lives in every person. That is why charity is very important.

J. then asked why did T. need a second person (V.) to argue during the conversation?

The Savior said: "They knew that I am stronger"!

Jesus was also pushed out of the temple by enemies because he read the truth and He Himself is the truth and peace.

I J. asked myself, where is the charity? Is this false piety?

Human must not lie under any circumstances - lies crucified Jesus and continue to crucify him!

The Savior said: "those who lies and twist the truth and distort reality must suffer very much for it"!

Please pray for the American government at this time that reconciliation will take place, that peace will reign among all human and that the war will end immediately.
