

**God Holy Spirit, enlighten our minds with Your truth,
fill our hearts with Your love and eternal light,
and strengthen our wills with Your strength, so that we avoid what displeases
You and love and do what pleases You, through the Holy God, Jesus Christ,
our King and Savior.**

Prayer against temptations and attacks of the devil

August 24, 2025

(Prayer for all humans) (singular)

**† In the name of the Almighty Holy Triune God,
the Father, the Son, and the Holy Spirit.**

Holy God Lord Jesus Christ, my King and Savior,
please be with me, today and always.

Shelter my heart in Your eternal light,
strengthen my faith

that I always remain in Your eternal light and love.

Go away from me, devil, with your demons – you unclean spirits,
in the name of the Holy Trinity,

the Father, the Son, and the Holy Spirit,

and go there, where the Holy Triune God,

Father, Son, and Holy Spirit, now commands you.

Holy Mother of God, please envelop and protect me
with your protection mantle.

Holy Archangel Michael,

please defend me with your sword.

Saint Joseph, terror of evil spirits,

please protect and accompany me every day on all my paths.

Angels of Holy God and my Guardian Angel,

protect me, when the devils blind me,

confuse me, inflict injury and cause harm.

I beseech you, fight with the demons for me

and according to the Will of the Holy God cast them into Hell,

so that they nevermore return.

Holy Almighty Triune God, – † bless and protect me

and all I do, especially when I pray,

fulfill Your Will, and live in peace. **Amen.**
