

## Very Important Message for All People

Remember, soul, that the devil never leaves you; he is constantly around you as long as you live. But also, your Holy Guardian Angel is eternally with you and protects you.

What matters is that you remain faithful to the Holy Triune God, love Him with all your strength, body, and soul, and never turn away from Him or separate yourself from Him.

The Holy God knows what you do, what you say, and what you desire. He sees where you are and where you are going.

He does not look at who you were, but at what you are doing now and how you behave toward Him.

He cares for you, is always with you, never leaves you, and is faithful to you.

Never forget, dear soul: He loves you more than you love Him, and He lives in your heart.

Always be obedient to Him, give Him honor, praise, and thanks—because it is due to Him—and live according to His will.

Then the devil can do you no harm, though he will always tempt you and try to lead you into sin.

Only with a pure heart can you serve the Holy God, which is why confession is so important.

Remember, the devil hates confession. He will always try to tell you: “You have no sins!”

The Savior said: **“The war has already begun in the hearts of men.”**

That is why, in our time, it is so important that all people remain watchful and pray to the Holy Triune God.

He alone can end the war and bring peace into the hearts of people.

Remember, soul: Satan always wants to have you back, because you belong to the Holy God and wish to enter Paradise.

Only when your soul is completely pure can you resist.

But if the devil takes up residence in your heart, you will no longer be able to resist—then you will do what the devil wants, and you, soul, will need an exorcism.

If something happens (misfortune, murder, illness, etc.), you ask:

**“God, why did You allow this?”**

God shortens life so that you, soul, be saved, redeemed, and attain eternal life.

The Holy Triune God allowed it because He knows what you will be like later:

Will you improve and belong to Him, or will you worsen and fully belong to the devil, who leads you into hell?

When war comes, we must pray even more.

Think of Jonah and the city of Nineveh! When they prayed, the city was spared.

If you continue to serve the devil (the cunning beast), and if you say you do not need God and do not want to serve Him, then you have no love and no peace.

Sadly, many souls say they do not need God.

And if you are rich and have much money (a millionaire),

the spirit of possession will confuse you and turn you away from the Holy God.

You will become blind and not find happiness in your heart.

Man must remain faithful to the Holy Triune God in His love,  
live according to His commandments—especially “do not kill,”  
love his enemies, and pray for them.

For we must love the sinner and hate the sin.

It is important that we do not fear war, disasters, illnesses, and so on,  
but that when the Holy God calls us at the hour of our **passing**,  
we are ready to stand before Him in Paradise with a pure heart.

**The Holy Triune God bless you all—Father, Son, and Holy Spirit.**

Holy Mother of God, with your beloved Holy child of God,

pray for us and give your protection and blessing to all people. **Amen.**

**P.S.:** It is the Savior's will that this important message  
be published on the internet.

(The word "**passing**" refers to death—a transition into Paradise  
to attain eternal life.)
