

**Vision before God's judgment**, tonight at half past two (Sunday, October 13th, 2024), I had a vision that lasted a while. (Important improvement on November 10th, 2024) I describe what I saw: On one side were two holy angels and on the other side two devils. There was a large line of people waiting for their judgment. I heard the Savior say: He knows all the sins of every person, no one can say he has not sinned.

I saw two angels dressed in white and brightly illuminated, who pulled a person to their side in order of holy God's judgment.

On the other side I saw two devils who were strong and corpulent, had horns on their heads and their whole body and face was dark. One devil took the person under his right arm, the other devil under his left arm and pulled him to their side. The Savior said to the people who were on the side of the devil: "So it happens to those who have completely turned away from me and remain in sin.

I could not sleep, I asked myself whether I was awake or asleep, I was awake and not dreaming. During the vision I suffered pain in my body. That is why it is very important that people find a priest and go to confession. If you go to Holy Confession more often, you will recognize your sins more quickly and you must ask God for repentance for your sins, because without repentance there is no forgiveness (absolution).

Dear souls, please! Go to confession, do not forget that we have good priests who hear confessions (absolution).

In Bosnia-Herzegovina - Medjugorje many confessions are held in different languages. In many pilgrimage sites in several countries that I have visited, I have never seen so many people go to confession as in Bosnia-Herzegovina - Medjugorje.

For me it is a sign of the authenticity of the pilgrimage site, Mother of God of Peace. I reunited again at 11.40 a.m. and asked the Savior, I wanted confirmation, whether the vision I had at half past two in the morning was just for me.

The Savior said: "No! It was for all people."

The Savior told me during the reunion: the war will spread further!

I ask for prayers in the name of all and for all souls. The Holy Triune God reward you.

May the Holy Triune † God, Father, Son and Holy Spirit, bless us and all people.

Holy Mother of God with your dear child, please; pray for our intentions, † bless and protect us and all your children.

All holy angels, please! defend, protect and accompany us always until we get to paradise. **Amen.**
